## Farewell to Pastor Vicki....

With hearts full of gratitude and especially love, we say goodbye to Pastor Vicki. For the past year Vicki has been our Pastor, our mentor, our leader, our life saver and especially our dear friend.

She guided us through the grey days and helped us find the sunlight in our church again. Vicki filled a deep void with her favorite hymns and wonderful sermons that taught us a lesson each week. Sermons that related to our daily lives and made us think of the good that God hands us on a daily basis.

With her love and support we learned to always look forward, and to never look backward. We were taught not to look in our "rear view mirrors".

With Pastor Vicki's guidance the Deacons were able to choose a new Pastor and prepare a new covenant for us all to live by with her.

We will forever be grateful for the countless blessings Vicki has bestowed upon each and every one of us and our beloved church. Thanks be to God!!!!!!

## Notes from the Organ Bench

*"In my eyes and ears the organ is the king of instruments"*

Wolfgang Amadeus Mozart

This is the first of a series of articles about our beloved E. M. Skinner organ. My writings about the pipe organ are prompted by our church's web organizer Audrey Rossow inquiry about the instrument's beautiful sounds.

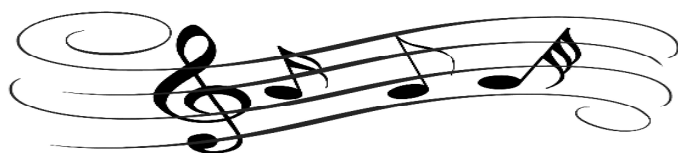

Our original organ was a George W. Stevens tracker organ and was installed at the back of our church sanctuary in the late 1800's. George Stevens (1803-1894) a pipe organ manufacturer. from East Cambridge, MA built over 800 pipe organs. Incidentally, George Stevens was also a politician and served as the 3<sup>rd</sup> mayor of Cambridge. He is buried in Mount Auburn Cemetery where my grandmother, Marguerite Carpenter is interred.

According to my current research, a few George Stevens pipe organs can still be seen and heard in New England towns and cities including Shirley Center, Gloucester, and Harvard (Massachusetts) and Wiscasset and Belfast (Maine).

Yesterday, I visited the Harvard Historical Society, and took pictures of the historic 1870 Stevens organ console and façade (pipes seen) HHS claims it to be the largest remaining single manual Stevens organ. In the future, I plan to exhibit pictures of both the Harvard organ and our own Millbury church organ.

It is important to note, that in 1923, at First Congregational of Millbury our church forebears decided to update our organ to better suit the sanctuary acoustics. The George Stevens casework was moved to the front of the sanctuary and a new E.M. Skinner pipe organ was installed. The huge façade organ pipes (face of the instrument) behind the pulpit was retained from the original Stevens instrument.

## Mission Corner

As Summer leaves us and Fall approaches please remember Graces Garments. As you put away your summer clothes and take out fall/winter clothes please consider parting with gently used items that you no longer wear. Graces Garments are in need of men/woman/children clothes of all sizes. Gently used coats and shoes are also needed. Thank you for your support. Graces Garments staff are very appreciative of our donations.

Just a reminder that our knitting/crocheting/loom group will be in full swing as fall/winter comes upon us. We are always looking for new people to join our group. We are working on baby hats and blankets for Visitation House in Worcester and winter hats for Elmwood St School children in need. Both Visitation House and Elmwood St. School are worthy causes and the items we make are greatly appreciated. Please join us on **Tuesday evenings** at our church **6:30pm**. We have supplies for your use. Please let me know if you are interested. Deanna Murray 508-865-6069 or [murrayapplegang@aol.com](mailto:murrayapplegang@aol.com).

## GOOD TURNOUT FOR PAINT NIGHT

We enjoyed another Paint Night Fundraiser with Sue Dion of Inspired Painting and Instructions. Twenty-one painters attended and we received a donation from a friend bringing in a total of \$408.00.

Thanks to Paul F. for setting up, Jeri S. and Christine H. for providing delicious snacks and doing kitchen duty. The painters went home happy and were pleased to hear Sue has offered to return on **Tuesday, October 16th** for another Fundraiser. In October you'll be able to "Take your pick" of two Pumpkin Paintings. One will be an outdoor composition of pumpkins and birch trees or if you prefer whimsical pumpkins with a poker dot background. Keep an eye on the Church Facebook and Website for more details.

Thanks again to Sue Dion and everyone who supported this Fundraiser.
